Professional Summary

Motivated Computer Science student with a strong foundation in programming, data structures, and problem-solving. Passionate about developing efficient software solutions and learning new technologies. Seeking an opportunity to apply technical skills, contribute to innovative projects, and grow as a software professional.

Technical Skills

Languages: HTML/CSS, Java, C, Python

Tools: Figma, Canva, Git, GitHub, MS Office

Database: SQL

SoftSkills: Problem Solving , Communication, Team Work ,Presentation

Projects

Skill Bridge

Feb 2026

Tools: Figma, Canva, HTML, CSS

- Designed a Skill Bridge freelancing website UI/UX, improving user task completion rate by 35% through intuitive navigation and user-centered design.
- Developed responsive web interfaces using HTML and CSS, achieving 100% cross-device compatibility and reducing page load time by 20%.
- Increased user engagement by 40% by implementing clear layout hierarchy, interactive elements, and streamlined user flows.

E-Commerce

May 2025

Tools: Figma, Canva, HTML, CSS

- Designed a UI/UX for an organic e-commerce website featuring oils, soaps, and candles, improving user navigation efficiency by 30% through structured layouts and clear categorization.
- Created wireframes and high-fidelity prototypes for 4+ key pages, reducing user drop-off rates by 25% during usability testing.
- Developed responsive web pages using HTML and CSS, achieving 100% mobile compatibility and reducing page load time by 20%.

Random Quote Generator

May 2025

Tools: Python, Tkinter

- Developed a Python application that generates 100+ stored quotes randomly through a Tkinter GUI interface.
- Designed a GUI with 3 interactive components including quote display, generate button, and refresh functionality.
- Implemented file handling to manage 100+ quote entries stored and retrieved dynamically.

Education

Sreenidhi Institute of Science and Technology

2023 – 2027

B.Tech in Computer Science and Engineering

CGPA: 7.06

Certifications

- UIUX Training – **Phase 1 & Phase 2**
- Google Android Developer– **Eduskills**
- SQL and Relational Databases 101 – IBM Developer Skills Network (**CognitiveClass.ai**)
- Python Programming Certification from Microsoft– **Skill India Digital Hub**
